KTB1 & KTB2

The Klein Tools **KTB1** and **KTB2** are high capacity lithium-ion powered portable batteries (power banks) designed to charge mobile devices like cell phones, tablets, headphones and more. The rugged, compact design with impact-resistant housing makes these batteries versatile for active, professional, and daily use.

The **KTB1** is equipped with Qualcomm® Quick Charge™ technology, delivering up to 75% faster charging versus conventional USB charging. Its convenient pocket size makes it a great choice for everyday back-up and personal charging requirements.

The **KTB2** features a 170-lumen work light and multi-position kick stand. It is equipped with class-leading, fast-charging capabilities on all of its ports, which include Type-A Qualcomm® Quick Charge™ Technology, USB Type-A (2.4A) and USB Type-C (3.0A).
